

TCS SPRING NEWSLETTER

Greetings from Honduras!

Trujillo Christian School has kicked off another great school year in 2015. This is our 10th year of oversight of Trujillo Christian School and it promises to be a blessing to the children and people of Trujillo and to the further Glory of God. Thank you for being a part of this important work.

This year begins with 181 students in grades Pre – K to 6th. We have added two new faculty members: Josue Nahin Ramos teaches English, and Rony Calix teaches Computer Sciences. Some of you may remember Rony. He was a student at TCS from K-9 and is very pleased to be back where his education began. Just another example of the impact a few dollars a month can make in the lives of so many!

As I stated above, our enrollment is down from last year. Alfonso, our Administrator, and Belinda, our Principal, tell me that many of our students left Honduras for the United States during the recent influx of children from Central America. We ask that you pray for their safety and future happiness.

Thanks again for your support for Trujillo Christian School. The value of this school to the city of Trujillo, the children and people of Trujillo, and to the Church in Trujillo and Honduras cannot be overstated. Many of our students attend one of the congregations in Trujillo and several of their parents attend also. Our faculty and staff are also members of these congregations and are a valuable influence in the community. TCS is well known and respected by the community. Thank you for allowing God to work through you in this effort.

Phil Robertson
Elder, West Metro Church of Christ
